Directions

Via the Westerschelde Tunnel

From Breda/Eindhoven continue to follow the A58 in the direction of Vlissingen. From Goes follow the signs in the direction of Terneuzen. You will then go through the Westerschelde Tunnel (toll road). After exiting the tunnel, follow the route North Sea Coast / Oostburg. You will then come to the renewed N61 and continue your route towards Oostburg and then Cadzand. When you drive into Cadzand, you will see a mill on your right. Just after the mill turn right and then take the first road to the right. Camping Wulpen is located approximately 250 meters down the road on the left.

Via Antwerp from the direction of Breda

From the direction of Breda follow the A16/E19 in the direction of Antwerp. Just before Antwerp, you can choose between two routes.

Route 1

Follow the ring around Antwerp. Initially follow the signs in the direction of Ghent. After about 10 minutes, drive through the Kennedy tunnel. Continue driving on the rightmost lane. Take the 2nd exit (Exit 6, direction Bruges / Rotterdam) immediately after the tunnel. This road leads to the N49 (Knokke-Antwerp). Follow this road until exit Aardenburg-Eede. You continue your route in the direction of Oostburg and then Cadzand. When you drive into Cadzand, you will see a mill on your right. Just after the mill turn right and then take the first road to the right. Camping Wulpen is located approximately 250 meters down the road on the left.

Route 2

Via the Liefkenshoek Tunnel (toll road). In case of heavy traffic on the ring around Antwerp, this will save time. This toll road leads to the N49 (Knokke-Antwerp). Follow this road until exit Aardenburg-Eede. You continue your route in the direction of Oostburg and then Cadzand. When you drive into Cadzand, you will see a mill on your right. Just after the mill turn right and then take the first road to the right. Camping Wulpen is located approximately 250 meters down the road on the left.

Via Antwerp from the direction of Eindhoven

From the direction of Eindhoven follow the A67/E34 in the direction of Antwerp. This road turns into the A13. Initially follow the signs in the direction of Ghent. After a good 5 minutes, you will pass through the Kennedy Tunnel. Continue driving on the rightmost lane. Take the 2nd exit (Exit 6, direction Bruges / Rotterdam) immediately after the tunnel. This road leads to the N49 (Knokke-Antwerp). Follow this road until exit Aardenburg-Eede. You continue your route in the direction of Oostburg and then Cadzand. When you drive into Cadzand, you will see a mill on your right. Just after the mill turn right and then take the first road to the right. Camping Wulpen is located approximately 250 meters down the road on the left.

Via Ghent

From Ghent follow the A10/E40 in the direction of Ostend/ Bruges. You are now driving on the N44. Follow this road until it turns into the N49 direction Knokke. On the N49, take the first exit to the right, in the direction of Aardenburg. From Aardenburg, follow the signs for Oostburg and then towards Cadzand. When you drive into Cadzand, you will see a mill on your right. Just after the mill turn right and then take the first road to the right. Camping Wulpen is located approximately 250 meters down the road on the left.

We wish you a safe journey!
